

CHRISTOCENTRIC STUDIO RENTALS

STUDIO RENTAL AGREEMENT & LIABILITY WAIVER

Governed by the Laws of the Republic of Ghana · Bomso, Kumasi · 0532670582 / 0546268719

THIS AGREEMENT is made on ____ / ____ / 20____ between **Christocentric Studio Rentals** (the “Company”) and the individual or entity named below (the “Renter”), governing temporary hire of the studio facility, its fixtures and utilities (the “Facility”). By signing, the Renter confirms they have read and agreed to every term; this Agreement is legally binding on execution.

1. Rates, Deposit & Payment

Sessions are billed at the Company’s **current published rate card** (confirmed at booking) in Ghana Cedis, which may change on written notice. A **50% commitment deposit** of the total session value confirms a booking and is refundable only under Section 3. The **balance is due in full before the session begins**, and no session proceeds while a balance is outstanding. Payment is by Mobile Money, bank transfer, or pre-confirmed cash. “Total session value” means the gross hire fee at the applicable rate including confirmed add-ons, excluding amounts already paid.

2. Timing & Overtime

The billable clock starts at the scheduled time, whether or not the Renter or crew has arrived. The studio is held **30 minutes** past start time; failing arrival or written notice within it, the booking is a **No-Show** — cancelled, deposit forfeited. The director and up to **two** assistants may enter **15 minutes** early (non-billable) to offload and check lighting only — no shooting, styling or staging. A **15-minute** packing grace applies; from minute 16, overtime accrues per 15 minutes or part: Photography GHS 50, Videography GHS 75, Editing GHS 50 (GHS 100 per 30 min), Masterclass / Workshop / Exhibition / Conference GHS 100, Podcast GHS 90.

3. Cancellation & Rescheduling

When written notice is received	Consequence
More than 48 hours before the session	Full refund of amounts paid, or store credit
Within 24–48 hours before the session	70% refunded; Company retains 30% (max = amount paid)
Within 24 hours, or No-Show	No refund
Booked but not used	No refund

One reschedule is free with more than **48 hours’** written notice; within 48 hours it is treated under the table above.

4. Facility Protection & Caution

A refundable **GHS 200** caution is paid before the shoot and returned within **five business days**, less deductions. Backdrops are consumables (torn or soiled: **GHS 300 per metre**); structural damage to the cyclorama wall, acoustic panels or fixtures is charged at full restoration value, and no fixtures or rigs may be moved or altered without written consent. Food and open drinks are barred from the floor and within **one metre** of equipment, backdrops and the CYC Wall (sealed water allowed); **capacity is four persons** without clearance; and **no smoking, vaping or open flames** are permitted. On the CYC Wall: shoe covers or bare feet, no heavy or sharp objects without mats, and never step, stand or sit on the curved radius; scuffs are repainted at **GHS 80** (up to **GHS 400** if severe), and cracking the curve makes the Renter fully liable for restoration plus a loss-of-income charge at the daily videography rate per un-bookable day.

5. Liability & Indemnity

The Renter is responsible for the safety of their client, crew and visitors, and the Company is **not liable** for injury, shocks, drops or slips arising from cords, stands or improper power handling by the Renter's team. The Renter shall **indemnify and hold the Company harmless** against all third-party claims, damages and costs (including legal fees) arising from their use of the Facility or any breach. The Company is **not responsible** for loss, theft or damage of external cameras, storage drives (including Storage Hub GH) or personal property brought in.

6. Intellectual Property, Content & Marketing

The Facility is for lawful, professional creative production only; content must comply with Ghanaian law and infringe no third-party rights, and **prohibited content** (adult, defamatory, illegal or reputationally damaging) permits immediate termination without refund. The Renter is solely responsible for all music licences and for valid signed model and talent releases. The Company reserves the right to use behind-the-scenes footage, photographs or identifiable content from the session for marketing or social-media purposes **without the Renter's prior written consent**; otherwise, the Renter should notify the Company of any privacy concerns.

7. Minors, Animals & General Provisions

Where a **minor (under 18)** is involved, a parent or guardian must be present throughout and a signed parental-consent form held before filming, failing which the Company may suspend the session; **animals** are permitted only with prior written approval, the Renter being fully liable for related damage. Neither party is liable for failure beyond reasonable control (acts of God, fire, flood, national-grid failure, civil unrest or governmental action); if the studio cannot operate, the Renter may reschedule free or receive a full deposit refund, but if the cause is the Renter's alone, Section 3 applies. Personal data (name, company, Ghana Card ID) is processed solely to administer this Agreement under the **Data Protection Act, 2012 (Act 843)**, is not disclosed without consent except as required by law, and may be accessed, corrected or deleted on request; the studio is under **24/7 CCTV** and footage remains Company property. The Renter must observe all health-and-safety rules and report any accident or hazard at once. The Company may **terminate** a session immediately, without refund, for abusive behaviour, material breach or any safety risk. This Agreement is governed by the **laws of the Republic of Ghana**, with disputes resolved by negotiation, then mediation, then the Ghanaian courts. It is the entire agreement; amendments must be written and signed; invalid provisions are severed; and no delay waives a right.

8. Condition Report & Signatures

A joint walk-through precedes each session; the Renter signs to confirm the Facility's condition, and any pre-existing damage must be noted beforehand or the Facility is deemed accepted as pristine. By signing, both parties agree to all terms.
